

LESSON 4:
INNOVATION
CHALLENGE 5

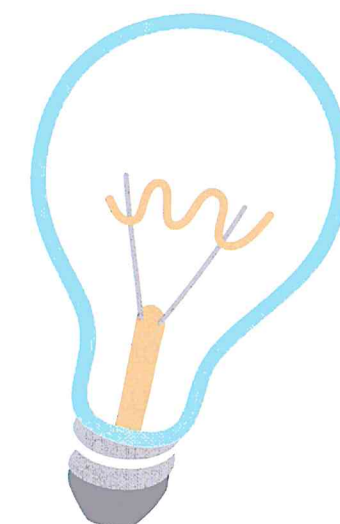

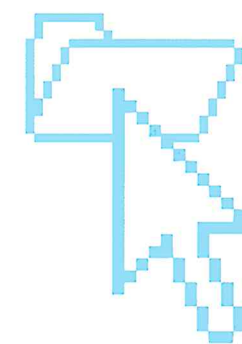

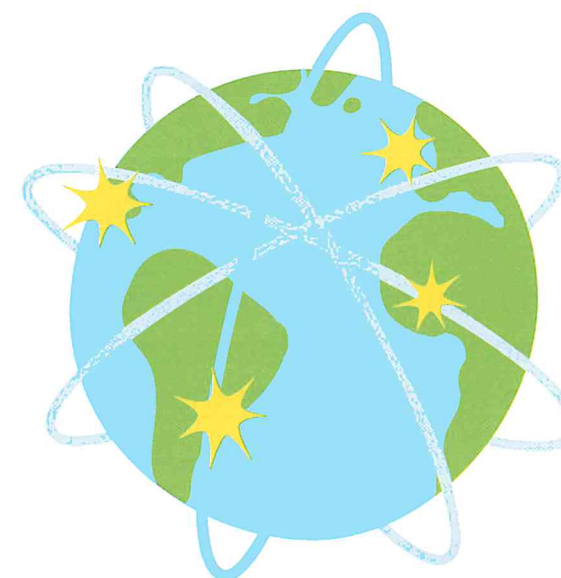

Invent something that no one has thought of before. You can make up something imaginary, or start with something that already exists and change it into something new. But you have to draw or describe your invention so that the rest of the class can understand what it is.

Your challenge is to invent something to meet this need:
Many people who are injured or disabled want to have fun and dance with their friends. Invent something that will help them dance with their friends even if they are in a wheelchair.

Draw or describe your invention in the space provided
