Share your thoughts:

After today's program, how do you feel?

- I feel more confident in myself and my abilities.
- I want to work with AI or technology when I grow up.
- I can make safe and responsible decisions when using AI tools.
- I want to learn more about AI in the world around me.

If you picked 'somewhat' or a sad face for any question, can you tell us why?

What is the COOLEST thing you learned that you will put to use or share with others?
